“Home of the Original Sin”

Message From the Basileus:

I greet you in the name of the Supreme Basileus of the Universe. It is through Him that I draw my strength and guidance. On behalf of the Men of Kappa Kappa Chapter of Omega Psi Phi Fraternity, Inc., I would like to welcome you and thank you for viewing our state report.

Since 1976, Kappa Kappa Chapter has continuously focused our cumulative gifts and talents on improving the quality of life of African Americans as well as the underserved, and the indigent in the Carrollton Georgia community. The fraternity's Cardinal Principles are our core values and the substratum by which we are guided as men committed to the organization's expectations. We are focusing on ensuring that we are above reproach in the areas of Manhood, Scholarship, Perseverance and Uplift; and with the assistance of the Mu Mu Mu chapter, we have targeted supporting those outliers who are often marginalized by the established. It is our aim to make you feel welcome, respected and well served!

As Basileus, I appreciate the brothers of Kappa Kappa for their resolute efforts in support of the chapter's mission and objectives. Many of the tasks ahead of us will require time and won't all be easy, but as Omega Men we always "See It Through" when met with a challenge face to face! I have complete confidence in the brothers of Kappa Kappa Chapter to continue leading by example, serving our community, and honoring your commitment by living your creed.

In 2021, we are gearing up to celebrate 45 years of service in Carroll County Area. During its enduring and eventful history, this chapter has served West Georgia College, now known as The University of West Georgia with distinction and proudly sets an example for others to follow.

LET OUR COMMUNITY "LEAN ON US" TO PROVIDE NECESSARY AID FOR THEIR WELL-BEING TO SHOW WE ARE STILL THINKING OF THEM DURING THE HOLIDAYS.

The Kappa Kappa Chapter has worked hard to establish relationships with the NAACP chapter here at UWG. Bro. Reese served as the Vice-President and Bro. Mitchell served as Treasurer last year. We also collaborated with NAACP on walks with the President of UWG and for different organization fairs around campus. A highlight event was the Lean on Me Project, where all donations were given to families in need, with an importance on showing them that we are continuing to be here for them and they are forever with us in society.
